

Ministry of the Month

Once a month we take some time to focus on a specific ministry in our parish. We have so many thriving, life-giving, ministries that we want to highlight, each in its own way, in order to share the vibrant growth of our parish community.

Sacristy Laundry

What Volunteers Have to Say...

"As a parent, one of my goals is to raise faith-filled children. Without a doubt, children learn best through example. Going to church, praying, and doing for others is how we choose to show our Catholic faith. When I chose my Time and Talents I chose tasks we could do as a family. Doing the Sacristy laundry is such a special role. The kids help me soak the linens and we even say a prayer together. Knowing Christ is present and knowing these pieces are used in the Sacraments is such a heartwarming feeling."

- Mallory Schoenle and Family

"Sacristy laundry is a ministry that I find very satisfying. The washing and ironing process is repetitive and relaxing and gives me an opportunity to pray for the members of Christ the King as I handle each piece. I enjoy helping out in this small way and as a sacristan I appreciate nicely pressed linens."

- Janet Durham

"Helping to clean the Sacristy laundry allows us to participate in, and prepare for, the Eucharist in a way we are not ordinarily able to. Volunteering and offering our services to the church is important to us for many reasons, but one of the most important, is raising our children to be compassionate and caring individuals who are active in the church and our community."

- Kelly Wright and Family

"I have been in this ministry for 6 years. When I see the finger towels and Purificators being used during Mass, I feel very humbled knowing I served the Lord and my parish by preparing them."

- Cyndi Sykes

We would love for you to join us!

Parishoners volunteer to wash and iron Christ the King's sacristy laundry. Parishoners are added to a rotational schedule and are responsible for the laundry approximately every 6-8 weeks. This is a great family ministry! Please communicate with the office to arrange having the laundry picked up and dropped off in a timely manner.
